Hello All -

I was able to break the code and update the forms. So both forms are now numbered / lettered correctly.

I appreciate those on the call today and the great questions. As you go through the process please call when/if you hit any road blocks.

Again sorry for the short turn around - the more we can have in our hands in the WO by May 31, 2017 the better. I have to review all documents and then BLM leadership will review before releasing to the DOI.
